Photo Enforcement Program 2018 Annual Report

Per RCW 46.63.170 cities using automated traffic safety camera must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic camera is located, as well as the number of notices of infraction issued for each camera on the City's website. The below data comprises the number of accidents and citations issued at each respective intersection and school zone where traffic safety cameras are deployed.

In late 2016 the City expanded its Photo Enforcement Program to include red light enforcement at three (3) key intersections:

- Southbound and Eastbound approaches at Pacific Hwy S / S 216th Street
- Northbound and Southbound approaches at Marine View Drive / 7th Place S - S 216 Street
- Southbound and Westbound approaches at Pacific Hwy S / Kent Des Moines Road

2017 was the first year the red light enforcement cameras were in operation for the entire calendar year.

The specific infraction issuance and accident data for each location is shown below:

Camera	Infractions	Accidents
DM05 Southbound Pacific Hwy S @ S 216 St	2,144	2
DM07 Eastbound S 216 St @ Pacific Hwy S*	2,149	1
