

Des Moines Police Department – Photo Enforcement 2022 Annual Report

State Law (RCW 46.63.170) states that cities using automated traffic safety cameras must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic camera is located, as well as the number of notices of infraction issued for each camera on the City's website. The below data comprises the number of collisions and citations issued at each respective intersection and school zone where traffic safety cameras are deployed.

The specific data for each location is shown below:

Red Light Camera	Infractions	Collisions
DM05 Southbound Pacific Hwy S @ S 216 St	1,408	0
DM07 Eastbound S 216 St @ Pacific Hwy S	1,232	1
