February 9, 2021

Parents and Guardians,

Highline Public Schools are on the way to getting students back to in-person learning. While we are excited for this transition for the students, we also wanted to let you know that we have made the decision that we will not be offering our Club KHAOS Before & After School Program for the remainder of the 2020-2021 school year. Decisions about Camp KHAOS Summer Camp 2021 and the Club KHAOS Before & After School Program for the 2021-2022 school year will be made in the months to come.

The Highline School District is partnering with the YMCA and Right at School to provide fee-based childcare. Scholarships and sliding-fee scales available. This includes full day, as well as before and after school care.

- Right at School childcare will be located at Gregory Heights Elementary School serving students attending Gregory Heights, Shorewood and Mount View. Maximum capacity is 30 students. Childcare is available Monday through Friday, 7:30am to 5:30pm. Rates range from \$12 to \$60 per day. Registration for Right at School opens January 28, 2021. Please go to the website, [www.rightatschool.com](http://www.rightatschool.com) for more information on fees and scholarships. For questions, please contact Monique Sargent at 425-457-0139 or [monique.sargent@rightatschool.com](mailto:monique.sargent@rightatschool.com). Registration links are as follows:

- Gregory Heights: <https://rightatschool-gregory-heights-elementary.jumbula.com/view#/2020-21-before-after-school>

- Shorewood: <https://rightatschool-shorewood-elementary.jumbula.com/view#/2020-21-before-after-school>

- Mount View: <https://rightatschool-mount-view-elementary.jumbula.com/view#/2020-21-before-after-school>

- YMCA childcare will be located at Glacier Middle School and is available to students across the district. Maximum capacity is up to 90 students. Childcare is available Monday through Friday, 7:30am to 5:30pm. Weekly rates range from \$150 to \$275, depending on membership, scholarship and state subsidy eligibility. Scholarships are available, and childcare subsidies are accepted. Registration will open by February 17. For questions please contact the YMCA's registration team at 206-382-4927 or [registration@seattleyymca.org](mailto:registration@seattleyymca.org).

- Highline Public Schools will provide transportation between a student's school and the Right at School and YMCA childcare sites. Transportation is not provided from home to childcare sites.

- For example, if your child attends White Center Heights and has after school care arranged through Right at School, your child will be picked up at White Center Heights and transported to Gregory Heights. You are responsible for picking up your child at Gregory Heights at the end of the day.

- For students enrolled with another childcare provider in their elementary school service area, there may be a bus stop nearby and some students may be eligible to ride that bus. Please check our website to see if a bus stop is near a student's childcare provider.

- Right at School and YMCA childcare is available to Highline Public Schools staff.

We are continually missing all of the kids and families from our programs, and we hope to see you soon.

Sincerely,

The City of Des Moines
